

## Product Bulletin

# 14-2-14

## Liquid Fertilizer

### Guaranteed Analysis:

Total Nitrogen (N)		14%
Urea Nitrogen	14%	
Total Phosphorous (P)		2%
Total Potash (K <sub>2</sub> O)		14%

Urea derived from low biuret urea

Phosphorus derived from tech grade 75% phosphoric acid

Potash derived from Potassium Carbonate, KOH

### Product Specifications:

Pounds Per Gallon	11.50
Gallons per ton	174

Pounds of Nitrogen per gallon .....	1.61
Pounds of Phosphorous per gallon .....	0.23
Pounds of Potassium per gallon .....	1.61
